

Part I - The Gospel Message – John 8,12- 29

I am the light of the world. - A
Whoever follows me will never walk in darkness, but will have the light of life.

I testify on my own behalf, and my testimony is valid - **B**
for I know where I came from and where I am going.
But you have no idea where I come from or where I am going. Since **you judge by human standards.**

I pass judgment on no one. - **C**
My decisions are true: I am not alone.
I stand with the Father, who sent me.
I am one who testifies for myself; but my other witness is the Father, who sent me.

You do not know me or my Father. - **A**
If you knew me, you would know my Father also.

I am going away, and you will look for me. - **B**
Where I go, you cannot come.

When you have lifted up the Son of Man, - **C**
then you will know that I am he and that I do nothing on my own but speak just what the Father has taught me.

The one who sent me is with me; - **A**
he has not left me alone, for I always do what pleases him.

Prayer-Do's - A Reflection – Part II

B - *Its start is early as one "do" follows the other to get into the mood of do-ings mainly the "things" - what else?*

C - *'til the inner one-self quietly raises a voice by itself - is it all about one? - while finding the self not within the lot - of do-ing so*

A - *let's just stop for a few minutes and see what is this all about – trying out meditation to get the silence - without interruption*

B – *for lining up with the moment of anti-action – what might contain issues - like these? - a blowing fuzz - from the fan buzzing*

C – *and - the keyboard - its letters annoying presence for the next touch as much as - the light's-energy-saving need - to be turned off*

A - *and no – nothing more or else - came up only small needs to keep the clock on time still running for processing it as "the way" of day unfolding*
